Safer Spaces Policy

Cambridge Swing Dance have a Safer Spaces policy which applies to all of our events. To download a copy please [click here](#).

Our Safety Secretaries are Gary Beardmore and Lauren Holman, please approach either them or any other Committee Members if you have any concerns or incidents to report. We will be wearing badges, manning registration desks and generally trying to look organised, and we'll be happy to speak to you!

There will be a talk on Safe Spaces with Jenna and Elze during the lunch break on Saturday in the School dining hall, we would like to encourage everyone to come along!

The J & J Competition:

If you signed up to take part in the competition, please note that the preliminary round will take place in the Large Hall at the Storey's Field centre shortly after classes end on Saturday, please be there for 16:30pm. Please head to the venue promptly to help us to keep to the schedule, so everyone gets a good break before the evening dance.

Hosting:

If you requested and have been offered Hosting, please ask at the registration desk and we'll introduce you to your host!

Where is this all happening?

The event is based around the Storey's Field Centre, Eddington, just to the north east of Cambridge city centre. All of the parties and registration will be in the Centre. During the day, two classes will be held in the Centre, one class will be held in the hall of the school that is just a couple of minutes walk from the Centre.

Fun Fact: The Storey's Field Centre was shortlisted for the Stirling prize for architecture in 2018, winning 22.5% of the vote (3rd place). So it's a nice venue!

There is some parking available near the venue, but we recommend parking at the Madingley Road Park & Ride – this is only a few minutes walk away, and parking is free for 18 hours. Park and Ride buses are regular during the daytime and the X5 also stops here, leaving from Parker's Piece in Cambridge or, from further afield, destinations via Milton Keynes towards Oxford.

The Talent:

Todd and Jenna

We're excited to have Todd Yannacone and Jenna Applegarth at Swing Sanctuary 2019!

Todd is one of the most recognisable names on the swing dancing circuit today. He has been a fixture on the international teaching scene since he was a teenager, and holds countless titles from countless prominent competitions. His demand as an instructor, performer, and judge has taken him to 31 countries across five continents. He specialises in connection and musicality, which is apparent every time he steps on the dance floor. He has worked with dance and music legends alike, and is a member of the acclaimed dance troupe, the Silver Shadows.

Jenna first started dancing when she was still in diapers. She began swing dancing some many years later, luckily no longer in diapers. Jenna continues to expand her dancing repertoire and share her love and knowledge of these dances with others. Although she enjoys pretty much any type of dancing and music you can move to, her first love is Lindy Hop. Her energy and passion create the perfect environment for learning, creating challenging yet applicable lessons. Above all else she believes that learning to dance should be fun. With over 10 years of teaching/coaching experience, she loves finding new ways to connect with other dancers on the floor and in the classroom.

Peter and Elze

Elze and Peter are maybe just the right amount of crazy. She comes from Lithuania, while he comes from Los Angeles and together, they have this Euro-American style all about fun and connectedness. Their musicality, playfulness, and creativity are not just parts of their light-hearted personalities as dancers, but also as instructors. Their energy is contagious and their class material is stimulating. Be prepared for loud laughs, crazy fun, and exciting new moves!

The DecaVitas

As instructors, Charlie and Rebecka strive to teach great technique in a way that is positive, coherent and productive. They particularly value the art of leading and following, believing that leaders and followers require equal amount of information in the classroom to create the best possible connection on the dance floor. Also founders of the performance troop Mess Around and Savage Rhythm Stockholm. Over the years they have placed in several international Lindy Hop competitions and performed in music videos, TV-shows and theatre productions. Today they teach workshops across Sweden and the world. Together they are known for their dynamic and unique dance style.

Private Lessons:

If you are interested in private lessons with any of the teachers please email bookings@cambridgeswingdance.com and we will put you in contact with them. Private lessons are not included as part of the event, and all arrangements regarding payment and timing of lessons are between you and the teacher(s).

The Bands:

Palace Avenue Swing

Palace Avenue Swing is a large ensemble of experienced professional musicians and friends who specialise in performing and recreating the music and style of the golden era of jazz, blues and swing in its many forms 1920-50s. The musicians who form the many classic and bespoke line ups are highly regarded as some of the best in the UK, and have entertained to great acclaim at the most prestigious international festivals, vintage events, swing dances, private and corporate functions for many years.

Steve Coombe's Hot Six

Steve Coombe's Hot Six are quickly being established as one of the leading vintage ensembles in the UK; playing Harlem Swing and the Hot Jazz of the 1920s and 1930s. Trumpet player and leader of the internationally acclaimed Shirt Tail Stompers, Steven has also led bands at Festivals in Sweden, Hungary, Italy and Spain.

T-Shirts and Vest Tops

If you ordered a T-Shirt or Vest Top when booking, these are not included in the weekend ticket price and you will shortly receive a PayPal invoice for £15. If you booked before we released the option of a Vest Top and would like one, please email bookings@cambridgeswingdance.com

The Environment

We would like to minimise the impact of this event on the environment, so for this reason we will not be providing disposable cups for tea, coffee or cold drinks at this event. We would strongly encourage everyone to bring their own drinks container, e.g. reusable water bottle and / or a travel mug / flask. There is a Sainsbury's nearby which will have a small supply of recyclable cups so there is a backup option if necessary – the area around the venue is a new development which was designed around minimising its environmental impact, including the stock of the local shops!

Also please do not print this information sheet – there is free WiFi at the Storey's Field centre so you should always be able to access it, and you can always ask us if you need help with anything!
