## BESPOKE MENUS

## MAKE IT YOUR OWN

We believe that every event deserves to be presented with care. Whether you're planning a birthday bash, anniversary party, baby shower, corporate event, or a wake, our venues provide the perfect setting to unite people. With warm hospitality, delicious food and drink, and a team dedicated to making every detail just right, we're here to help you create memorable moments that matter. Whatever the occasion, let Nutwood be at the heart of your plans.

We take pride in offering bespoke menus designed to give our guests real choice and flexibility. While we have a range of core bespoke options, such as our buffet and canapé menus, we love working with people to create something that truly suits their occasion. Whether you're planning a relaxed gathering or something a little more formal, we can tailor dishes to match your tastes and theme — all while keeping things budget-friendly. Our goal is to make great food accessible, personal, and perfectly suited to you. Our buffet options are clearly labelled for allergens, and we can cater for other allergies and intolerances. Please ask the Events Team to see copies of the menus.

We want your celebration to feel completely personal, so you're welcome to bring your own decorations, balloons, and other personal touches to make the space uniquely yours. You can also play your own playlists through our speakers to create the perfect atmosphere for your event. Depending on the venue and your preferences, we can provide either a buffet or a sit-down meal, ensuring everyone enjoys a delicious spread. If you'd like to share memories or special moments, we can also arrange a projector and screen or a TV to display photos and videos.

For private entertainment, we're happy for you to bring in performers, musicians, or other acts, but we ask that this is discussed in advance with our events manager to ensure everything runs smoothly. Guests can enjoy self-serve tea and coffee throughout the event, and we can also organise drinks packages or arrival drinks to make your celebration even more special. Our dedicated team will be on hand to help with setup, coordination, and any last-minute details, making sure your event runs seamlessly and exactly as you imagined. All our sites offer convenient parking, baby-changing facilities, and fully accessible toilets to ensure a comfortable experience for all guests.

*"We're delighted to help you plan your special occasion and ensure it's exactly as you envision. Whether you're celebrating, commemorating, or simply bringing friends and family together, we're here to take care of the finer details so you can focus on enjoying the moment. We look forward to working with you soon."*
